Remarks

Don't let this one-of-a-kind Lakefront lot pass you by. Located in the beautiful Burnt Store Lakes, this lot features a southeastern rear exposure view and located on one of the most popular lakes in the community. What makes this locale so special is the lake has center islands that affords additional privacy and is where you will enjoy watching White Ibis flying in to roost there in the evening. This is a regular shaped 80 x 120 lot touting a majestic oak tree and a street sidewalk that is perfect for your leisurely morning or evening strolls throughout the neighborhood. Public utilities are already in place in the Burnt Store Lakes community which makes this lot an exceptional value! Burnt Store Lakes is a beautiful deed-restricted community with many new custom construction homes currently being built throughout the community. As a Burnt Store Lakes resident, you can kayak on one of the many lakes found here and enjoy the multitude of tropical birds and wildlife that share this naturalistic setting! Enjoy Burnt Store Lakes' amenities of park and playground and kayak/canoe launch that leads to Charlotte Harbor where you can frequently observe name fish, manatees, porpoises, and sea turtles! Golf, Marina, Activity Center and Restaurants can be enjoyed at neighboring Burnt Store Marina.
